

THE RACE TO RELEVANCE

Guest of Honour

The Honourable the Chief Justice Sundaresh Menon

OVERVIEW

Over the last 10 years, the SCMA conference has been a marque event for the shipping and maritime industry. The conference gathers eminent legal practitioners and senior executives from across the industry to share their experiences and insights with the audience.

The 10th Anniversary Conference will feature panel discussions on Singapore's development as an International Maritime Centre. Given the challenging headwinds that the industry has been facing, this year's speakers will be discussing pertinent and contemporary issues that are impacting maritime dispute resolution in our region, and to critically analyse SCMA's value proposition to users of maritime arbitration.
